NYC

Nazarene Youth Conference (NYC) is a vibrant, life-changing youth event that is held every four years in different locations across the United States and Canada. High School students from all around North America belonging to the Church of the Nazarene gather together in a time of worship, teaching, and community outreach, united by a common belief in Jesus Christ.

July 8-14, 2019 NYC will take place in Phoenix Arizona where 7,000 students will gather to transform the city and worship. We will also see the Grand Canyon and spend the day at Wet & Wild Water Park. Go to nmdnyi.com where you can download the flyer, prayer partner info and first steps of registration.

For more info email Pastor Chris DeMott at revcdemott@gmail.com. First payment of \$450 is due by December .

- Red Carpet Days -

Let Olivet Nazarene University role out the red carpet for you as high school sophomores and juniors take a up close and personal look at ONU. This two day event allows you to experience college life on a Christian campus! You will have the opportunity to sit in on classes, spend the night in a resident dorm, and enjoy time in the Perry Rec Center where you can play basketball, swim, workout or climb the tallest rock wall on any college campus in North America! *To register simply go to www.olivet.edu/events.* Event is only \$35! This is an official College visit which is excused for High Schoolers, it is also an opportunity for teens to experience a Christian College and all it has to offer. For \$35 (students) and the cost of a hotel for leaders, this is a great investment. For more information contact Pastor Jeremy at revjgomez@icloud.com.

Invest

Okay the summer flew by, but hopefully it provided opportunities for you to really connect with your teens. I know for our bunch we tried to be intentional in creating events where teens could invite friends and build relationships. With School starting up the rhythm is changing once again. This is perfect time though, as teens are getting back into their routine, to dig deeper

and stretch their faith. This is also a time to begin the conversation of putting faith into action as they are back in an environment that is challenging. Ask them how they want to succeed this year both academically and spiritually as they begin this school year and then help them develop a plan that will help them succeed. I believe teens want to excel, but many don't know how to get from the vision to the practical part of doing. Good thing God has put you in their life!

As a side note, don't forget to use a great resource for our district, nmdny.com. This website has dates, info, forms and much more to help you with events. Also if you ever need clarification or a sounding board I am always available. Thank you for investing in one of the greatest ministries the church has - teens!
