

Youth Leaders/Pastors/Sponsors!

Can you believe it, 2020 District Celebrate Life (DCL) is upon us?

Saturday, March 14th at 9 am we will begin registration at the Beaverton Church of the Nazarene with opening ceremony beginning at 10.

Attached are all of the forms and schedules you should need to be prepared for the event. Please come with these forms completed (signatures from parent/legal guardian is required). **Money is due no later than March 23rd, but would be greatly appreciated at the event.** Please speak with me if you have any questions on this. *Last year our district agreed to lower cost of Celebrate Life for students in respect of NYC. To make up for last year, we do have to increase the price from 2019, but it is still lower than previous years. Students cost is now \$120 (formerly \$135). Sponsors cost will remain the same at \$100.

Please send me an estimate count of students/sponsors attending DCL in Beaverton by March 8th.

You can also find the attached documents and all of the information needed for Regional Celebrate Life (RCL) on our website under "Celebrate Life" in the Big Book of Rules linked at the bottom of the page.

<https://www.nmdnyi.com/celebrate-life.html>

If you and/or any of your students cannot attend DCL, please let me know so I can plan accordingly. Any forms and money should be sent to me no later than March 23rd.

Please forward this to your sponsors and any youth leaders I may not have included.

You can contact me at anytime, but please note I do work full-time so my responses may be delayed during the day. If it is urgent, please call me.

I look forward to seeing you all in a few weeks!

Beth Strong
NMD Celebrate Life Director
